End of Report AFR-110 REV 20150529		

Instructions

- 1. FROM (Sender):**
Enter your Ham Call Sign, AmRRON Call Sign, or other means of identification (depending on the mode of transmission).
- 2. TO (Recipient):**
Enter the intended recipient's Ham Call Sign, AmRRON Call Sign, or other means of identification (depending on the mode of transmission).
- 3. Current DTG:**
Enter the date and time in the Date-Time Group (DTG) format: YYYYMMDDHHMMZ. The "Z" stands for "Zulu" Time. For example, 11/02/14 1:13 PM PST, enter it as follows: 201411021313PST.
- 4. Incident Number:**
If this is a new incident, enter the exact same thing you entered in the "Current DTG" block. This will be the incident number.

5. **Expiration:**
Enter the DTG that you believe that it would no longer be beneficial for other stations to relay your message.
6. **Location:**
Enter the location of the incident. For the purposes of form, this is of far more importance than your own location. Be as specific as possible, and include whatever description is necessary. If there isn't room in this portion of the form, enter "see Remarks" and enter the details in the Remarks section.
7. **Incident Status:**
Select whether this is a **New** incident, an **Ongoing** incident that you are giving an update on, or a **Resolved** incident.
8. **Size and Scope:**
Select whether this incident is **Local**, **Regional**, or **National** in scope.
9. **Overall Hazard:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the overall hazard status.
10. **Current Weather:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the current weather status.
11. **48 hr Weather:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the anticipated weather status in the next 48 hours.
12. **Infrastructure:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the infrastructure status. This includes the availability of utilities, transportation, and other critical services.
13. **Political:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the status of political stability and tenor.
14. **Civil:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the civil status. Consider whether there is civil instability or unrest.
15. **Communications:**
Select "**Green**," "**Yellow**," or "**Red**" to describe the communications status. This includes the ability to sustain communications and the availability of communication infrastructure.
16. **Remarks:**
This is where you enter everything else that doesn't fit in the form. Do not forget to indicate the source of your information. What station did you hear it on? Did you see the incident yourself? Did you hear it from a second party? Remember to include any other relevant information.
